A student is academically eligible to receive a Baccalaureate degree from the University of South Florida (USF) when they complete the requirements of entities including (1) the Board of Governors (BOG), (2) USF, (3) the Program and/or College, and (4) general academic approval by the University. The requirements are outlined in more detail below.

(1) **Board of Governors Basic Requirements:** (established by Florida state law and the Board of Governors Regulations 6.017, 8.005 and 8.006.)

Colleges may have specific academic residency requirements for specified degrees and students are responsible for reviewing the current Undergraduate Catalog to ensure compliance;

g. Students who have entered a university in the Florida State University System (SUS) with fewer than sixty (60) hours of credit are required to earn at least nine (9) credit hours prior to graduation by attendance in one or more summer terms in courses offered by USF or any one of the SUS institutions. This requirement may be waived in cases of unusual hardship to the individual;

(4) General Academic Approval: Successful completion of academic coursework constituting the student’s program of study, minor, honors thesis, or certification examination does not guarantee award of the baccalaureate degree. Faculty judgment of the academic performance of the student is inherent in the educational process in determining whether the award of the baccalaureate degree or admission into a higher level degree program is warranted.
