### MARCH 4, 2019 – AGENDA

1. Welcome and Introductions
2. Public comment on agenda Items
3. Policy discussion:
  - **Master's Along the Way**
  - **Thesis/Dissertation Format** – are changes needed and should this remain in catalog versus on ETD website
  - **Doctoral Projects** - clean language in policy to clarify which majors require a dissertation and which are projects
  - **Graduate Certificates** – add language to define core (2 graduate courses) and that they should tie into a major. Consider language that limits how long a Certificate may be active if it is no longer having students complete the certificate within the five-year timeframe.

For April:

- **GPA and Pounding** – revise policy as needed to address that grades may not be pounded out when changing degree programs or levels.
