UNIVERSITY OF SOUTH FLORIDA  
OFFICE OF GRADUATE STUDIES**

Website: [www.usf.edu/graduate-studies/about-us/contact-us.aspx](http://www.usf.edu/graduate-studies/about-us/contact-us.aspx)

**INSTRUCTIONS FOR COMPLETION & SUBMISSION**

*The form should be filled in electronically. Please read all instructions prior to form submission. Complete all parts. Incomplete forms will be returned to the student unprocessed and will delay action on your request.*

**PURPOSE**

To add, drop, or change hours for course registration, after the end of the first week, Add/Drop/Fee deadline, in each semester.

**ADDITIONAL INFORMATION OR REQUIREMENTS**

- **Petitions will not be processed** if an administrative hold exists on the student's record. The student should log into OASIS to check the hold status. Resolve any holds before submitting this petition. The program/department should verify the student's hold status before forwarding the petition for approvals. If a hold is found on the student's record, do not forward the petition for processing. Notify the student of the hold and return the petition to them unprocessed.
- **A written letter or note** is required from the student indicating the reason for the petition request.
- **Written documentation or explanation** from an employer, doctor, etc. on letterhead verifying the circumstances associated with the petition request is required. A printed OASIS page indicating an error message may be submitted as proof of technical difficulties experienced while attempting to register or drop a class before the end of the first week of classes.
- **Petition requests** may take several weeks to process. Timing is affected by the availability of all the signers, processing time in each department and routing time from department to department via campus mail.
- **Tuition/Fee Liability:** An action taken on a petition may result in a late registration fee, late payment fee and additional tuition costs for the addition of credit hours. A petition to drop a course **does not** remove the student's financial liability.
- **Fee Adjustment form:** If the student completes a petition to drop a course due to extenuating circumstances beyond the student's control, the student may submit a Fee Adjustment Form directly to the Office of the Registrar for consideration **after** the petition request has been approved by all signers and processed by the Registrar. The Office of the Registrar will make a final determination concerning the fee adjustment request.
- **Late Registration Fee Waiver form:** may be completed and submitted to the Office of the Registrar if the student has registered and is paying their tuition late due to circumstances beyond their control.
- Both the Fee Adjustment and the Late Registration Fee Waiver forms must be submitted directly to the Office of the Registrar.

**DIRECTIONS FOR INTERNATIONAL STUDENTS**

**INTERNATIONAL STUDENTS:** Students with an F1 visa must submit this form to OIS via iStart to obtain their signature. **DO NOT PROCEED WITH THIS WRITTEN REQUEST** unless you have obtained the OIS signature on your form. Information about contacting OIS is available at <https://www.usf.edu/world/international-services/about-us/contact-us.aspx>.

**OIS ADVISOR:** A written approval letter on letterhead from OIS may be attached to the petition if special circumstances are to be considered.
