I. **OVERVIEW/BACKGROUND:** The USF Student Housing Agreement requires students to sign this USF Student Housing Agreement as follows:

1. **USF Student Housing Agreement ("Agreement"):** The Student Housing Agreement is a financially and legally binding agreement between the University of South Florida's Board of Trustees, a public body corporate acting for the University of South Florida and a prospective or enrolled student who is and intends to remain enrolled. It is a agreement for the use of space and all terms including length of agreement, cancellation terms and other terms set forth will be enforced. (Special Status Students are housed upon approval by the Department.) Any alterations by the student to the terms contained in the agreement will neither be honored nor deemed valid without specific written approval from the Assistant Vice President for Housing & Residential Education recognizing acceptance of and identifying the proposed alterations. By signing the Agreement, electronically or otherwise, the student is acknowledging notice of all of the Student Housing Agreement terms.

II. **TERMS OF AGREEMENT:**

1. **Definitions**

   - **Application:** The form that is completed that contains preferences for dining, roommates, and/or room/building type.
   - **Application Fee:** A $50 non-refundable fee that is assessed to a student account upon submission of an application.
   - **Cancellation:** The act of requesting to end the agreement and the assignment. Fees may apply.
   - **Consideration:** The student’s consideration is the payment made by the student in the form of application fee or rent. The Department consideration is the processing of the application for room assignment. Either party may cancel the agreement before assignment of housing as set forth in Section 5 below.
   - **Agreement:** A binding agreement between the student and the University.
   - **Department:** The Office of Housing and Residential Education, the Assistant Vice President for Housing & Residential Education or the designee

   - **Student:** An individual that has been admitted to the University.
   - **Space:** A bed in a traditional, suite, or apartment in University owned or operated residential buildings.

2. **Eligibility Requirement for Housing:**

   a. Students who have been accepted to the University by the University Office of Admissions are eligible to apply for housing. To be considered for housing, the student must submit the application and fee which is effectively a agreement for housing.

   b. Student must remain enrolled in University courses during each semester covered by the Term of this Agreement. Should Student fail to meet this enrollment requirement, the Department may cancel this Agreement and require Student to vacate his/her assigned Space in accordance with applicable University Policies or other applicable laws, regulations, policies, or procedures.

   c. **Department Assignment Preconditions:**

      i. **Vaccination Requirement:** Students must submit appropriate vaccination information and forms to USF Student Health Services to enable the Department to make a room assignment. Failure of the student to submit the required vaccination/immunization record either at the time of application or to enable a room assignment is considered cancellation by the student of the agreement. The Department will not make any room assignment and the Department will not refund the application fee based on the student’s cancellation of the agreement by non-compliance with the vaccination agreement term.
ii. **Availability for Housing:** The Department may cancel the agreement for housing if a room is not available or appropriate for assignment to the student.

3. **Application Fee:** Upon submission of the application, a $50 non-refundable application fee will be assessed to the student account. The student must provide payment in one of two forms:
   a. The actual payment is submitted using University payment processes
   b. The Department processes and approves a deferral of the required fee. The fee will not be waived.

4. **Effective Date:** This Agreement shall become effective upon the Department receiving both the housing application and the required fee by one of the two methods specified in Section II(3). Once the agreement becomes effective, the Department will be able to initiate the housing assignment process.

5. **Inability to perform:** If the Department is unable to assign a student a space due to:
   a. the student’s failure to meet the assignment prerequisites; the Agreement will be considered cancelled by the student without refund of the non-refundable application fee

6. **Length of Agreement:** The agreement dates covered by these terms, conditions, and responsibilities are the Fall 2019 thru Spring 2020 terms. 7. **Occupancy Status:** Occupancy occurs when a student officially receives the keys to the room and signs the corresponding keycard or is officially checked-in via the student housing software. If either condition exists, then the room is considered officially occupied. Occupancy will remain in effect until the same procedure is followed to check-out of the space. Removing personal belongings and vacating the assigned space without completing the check-out portion of the Room Condition Form and Key Card Form will be considered an improper check-out and the student will be financially responsible for the terms of the agreement and associated fees.

11. **Condition of Space:** Student’s Space shall be kept clean and orderly. Charges may be assessed to Students for damage to, unauthorized use of, or alterations to, rooms, furnishings, appliances, equipment, locks, or buildings, and for special cleaning necessitated by improper care of rooms, furnishings, appliances, or equipment either within Student’s Space or on the floor or in the section of the facility wherein Student’s Space is located.
