USF Student Housing Agreement ("Agreement"): The USF Student Housing Agreement is a financially and legally binding Agreement between the University of South Florida’s Board of Trustees, a public body corporate acting for the University of South Florida and a prospective or enrolled Student who is, and intends to remain, enrolled. It is an Agreement for the use of space and all terms including length of Agreement, cancellation terms and other terms set forth. (Special Status Students are housed upon approval by the Department.) Any alterations by the Student to the terms contained in the Agreement will neither be honored nor deemed valid without specific written approval from the Assistant Vice President for Housing & Residential Education, recognizing acceptance of and identifying the proposed alterations. By signing the Agreement, electronically or otherwise, the Student is acknowledging notice of all of the Student Housing Agreement terms.

I. TERMS OF AGREEMENT:

1. Definitions

   Student: An individual that has been admitted to the University.

2. Eligibility Requirement for Housing:

   a. Students who have been accepted to the University by the University Office of Admissions are eligible to apply for housing. To be considered for housing, the Student must submit the application and fee (see Section I.3) which is effectively an Agreement for housing.
b. Student must remain enrolled in University courses during each semester covered by the Terms of this Agreement. Should Student fail to meet this enrollment requirement, the Department may cancel this Agreement and require Student to vacate their assigned Space in accordance with applicable University Policies or other applicable laws, regulations, policies, or procedures.

c. Department Assignment Preconditions:

i. Vaccination Requirement: Students must submit appropriate vaccination information and forms to USF Student Health Services to enable the Department to make a room assignment. The Department will not make any room assignment and the Department will not refund the application fee based on the Student’s cancellation of the Agreement by non-compliance with the vaccination Agreement term.

ii. Availability for Housing: The Department may cancel the Agreement if a room is not available or appropriate for assignment to the Student.

3. Application Fee: Upon submission of the application, a $50 non-refundable application fee will be assessed to the Student account. The fee will be considered paid for purposes of assignment when one of the conditions below have been exercised.

a. The actual payment is submitted using University payment processes.

b. The fee is paid with an existing credit on the Student’s account (i.e. the admissions deposit).

c. The Department processes and approves a deferral of the required fee. The fee will not be waived.

4. Effective Date: This Agreement shall become effective upon the Department receiving both the housing application and the required fee by one of the three methods specified in Section I.3. Once the Agreement becomes effective, the Department will be able to initiate the housing assignment process.

5. Inability to perform: If the Department is unable to assign a Student a space due to:

a. the Student's failure to meet the assignment prerequisites; the Agreement will be considered cancelled by the Student without refund of the non-refundable application fee

b. the Department’s inability to identify available or suitable space; the Agreement will be considered cancelled and the Department will credit the application fee to the Student’s account.

6. Length of Agreement: The Agreement dates covered by these terms, conditions, and responsibilities are for the Spring 2021 term. The dates for each semester are available on the USF Housing website. Occupancy during break periods is limited to specific locations and incurs an additional charge.

7. Occupancy Status: Occupancy occurs when a Student officially receives the keys to the room and signs the corresponding keycard or is officially checked-in via the student housing software. If either condition exists, then the room is considered officially occupied. Occupancy will remain in effect until the check-out procedure is followed to depart the space. Removing personal belongings and vacating the assigned space without completing the check-out portion of the Room Condition Form and Key Card Form will be considered an improper check-out and the Student will be financially responsible for the terms of the Agreement and associated fees.

8. Occupancy Requirements and Transferability: Student’s assigned Space may be inhabited ONLY by the Student with whom this Agreement is made, and such Space is not transferable or assignable without the Department's prior written approval. Spaces may not be sublet to another person(s). Appropriate monetary charges, as determined by the Department, will be assessed, and/or disciplinary action will be taken, against violators of the provisions in this paragraph.

a. Guest Limitations: Students are responsible for the actions and any damages incurred by their guests.
9. **Utilities**: The Department is not liable for interruption or failure of utilities such as heating, air conditioning, water, electricity, cable television, internet, etc. The Department reserves the right to assess additional charges and/or rent during the Agreement period to offset increased utility and/or other operational costs, provided the Department gives written notification to the Student at least 30 days prior to any increase in rent or charges.

10. **University Entry Rights**: Authorized Department personnel may enter Student’s Space without the Student’s permission (but following prior notice to Student) for maintenance/housekeeping purposes and for fire/safety inspections. When authorized Department personnel have reasonable belief that a violation of a University Policy, or violation of any local, state, or federal law, regulation, or ordinance is in progress, or in the event of an emergency, such personnel may enter Student’s Space without notice to Student. Those living in The Village also grant similar rights prescribed to the University above to personnel authorized by the Owner (including, without limitation, personnel of Owner’s property manager).

11. **Condition of Space**: Student’s Space shall be kept clean and orderly. Charges may be assessed to Students for damage to, unauthorized use of, or alterations to, rooms, furnishings, appliances, equipment, locks, or buildings, and for special cleaning necessitated by improper care of rooms, furnishings, appliances, or equipment either within Student’s Space or on the floor or in the section of the facility wherein Student’s Space is located. Those living in The Village agree that the Owner has the right to assess fees in accordance with that of the University as described in this section.

12. **Specific Space Requirements**: At no time does the Department guarantee assignment to a specific complex, building, room, roommate, room type, or room occupancy (single, double, or triple).

13. **Room Consolidation**: The Department reserves the right to consolidate, change the room’s gender designation, occupancy designation, or change the assignment either in advance of check-in or after the start of the term. If one of the occupants of a double occupancy room moves out, another occupant will be assigned to that room by the Department. If no such assignment can be made, upon notification by the Department, the remaining occupant will exercise one of the following options: (a) locate another roommate who agrees to be reassigned to the occupant’s room, (b) be reassigned to a double occupancy room chosen by the Department, or (c) be reassigned to single occupancy, if available, and pay the single occupancy rate.

14. **Meal Plan Requirement**: All First Time in College Students residing on campus are required to purchase a meal plan. More information on meal plan options can be found at USF Dining.

15. **Disabilities and Facilities**: A variety of facilities are available for Students with disabilities and other medical considerations in on-campus housing. Students requesting reasonable accommodations for housing based on a disability or a medical condition must submit their request for said accommodations in writing to the Department by July 1 for the fall semester; November 1 for the spring semester; and April 1 for the summer semester(s). Housing staff may confer with the Office of Students with Disabilities Services in order to determine any reasonable and appropriate accommodations. Any information provided to the Department of Housing & Residential Education substantiating a disability or medical condition will be maintained in strict confidence pursuant to Federal and Florida laws.

16. **Transfer/Reassignment**: The Student may, after written approval from the Department, move to another residence hall space in accordance with the Department’s reassignment policies, which are incorporated herein by reference. Those Students living in The Village may also need additional approval to transfer to a room outside of the Village.

A Student shall not be permitted to transfer to another housing space without the approval of the Department. If the Student does occupy another housing space without the approval of the Department, they will be responsible for the rental fees of both the room they moved to and the room they are assigned.

17. **Common Spaces**: The Department reserves the right to determine the need for and the use of all lounges and other common or public areas in and around the Residence Halls. Living unit lounges may be converted

Students are encouraged to provide their own personal property loss insurance.

19. **Department Reservation**: The Department reserves the right to make additional and/or modify existing rules and regulations. The Department agrees to make every reasonable effort to inform Students of any regulation changes or pertinent policy information.

20. **Departmental Discretion**: The Department may cancel this Agreement or change Student’s Space assignment in the interest of order, discipline, health, safety, security, maximum utilization of Department facilities and resources, and/or educational delivery, or for the Student's failure to pay rent or charges in a timely manner.

21. **Provisional Removal for Behavior**: Student(s) who have been determined to create an immediate danger or threat to the community may be provisionally removed from the Residence Halls until an investigation and a resolution can occur. This authority shall rest with the Assistant Vice President for Housing & Residential Education, or designee. Students will remain financially responsible for the Agreement during the provisional removal.

22. **Adherence to USF Restrictions and Compliance with USF Regulations**: A Student is prohibited from inviting or hosting a person in their room, residence hall, or on campus when the Student knows that that person has been barred from campus by the University Police or other University official. Any Student or person who knowingly violates this section may be subject to all applicable University, civil and criminal penalties. Student’s agree to comply with, and uphold, all University policies, procedures, regulations, as well as all local, state, and federal laws.

23. **Correspondence**: Correspondence from the Department will be emailed to Students at their official University email account.

II. **RATES AND PAYMENT OPTIONS**:

The Department offers two types of Payment Options; semester payments or through Financial Aid if aid (not including work study) is sufficient to cover your expenses.

1. **Rates**: Rates are listed on the posted Department’s website and are subject to change following approval by the Board of Trustees. The non-refundable $50 application payment is due with the Agreement when submitted and is in addition to the published rates. Students receiving Financial Aid will have any outstanding housing charges deducted from their aid prior to receiving a reimbursement check regardless of their payment option. This Agreement is separate from and not contingent upon financial aid or scholarship award notification.

2. **Student’s Payment Obligation**: Student acknowledges that different Department facilities have different rental rates. The amount of rent a Student will be obligated to pay will depend on the Space assigned to Student. A rate schedule reflecting the current rental rates associated with the Residence Halls is available on the Department’s website. The rates set forth in the schedule are subject to change. Student acknowledges that he/she will be bound by this Agreement and any change in rates, fees, or other financial obligation.

3. **Unpaid Charges**: Any unpaid rent, cancellation, or other charges accrued under this Agreement may be applied to Student’s University account and may result in a hold being placed on Student’s record and/or academic transcripts. Please see section III.2. and III.3. for additional details.

4. **Fees**: The methods of payment are listed below:
a. **Payments Online:** Online payments, via credit card or e-check, for housing, may be completed via the USF payment gateway available at [MyUSF](#). **Online payments made via the OASIS payment link will be processed as per the USF Cashier’s Office protocols.**

b. **Payments by Check:** Housing payments by paper check/money order may be mailed to the USF Payment Center at:

   PO Box 864571  
   Orlando, FL 32886-4571

c. **Payments by Cash:** Housing payments using cash may be made at the USF Cashier’s Office located in the Student Services Building. You must notify the cashier at time of payment that you are paying a housing fee in order to ensure the payment is credited toward housing.

### III. PAYMENT SCHEDULE

Such approval will be in accordance with, and subject to, the terms and conditions of this Agreement.

2. **Cancellation by Department:**

   a. **Policy and Procedures for a Department Cancellation:** The Department may, in accordance with applicable rules of the University and the Board of Trustees, initiate reassignment or cancel the Agreement with any and all applicable charges if deemed necessary by the Department in the best interest of order, health, discipline, safety, security, disaster, failure to make required payments according to Payment Schedule, or compliance with the [University’s immunization policy](#). The Department may also cancel the Agreement for any individual whose enrollment status changes (including but not limited to a voluntary withdrawal, dismissal or change status as a Student) over the term of the Agreement. Students whose Agreement has been cancelled will be required to vacate the residence halls within 24 hours from notification unless otherwise indicated. A Student’s accepted Agreement may be cancelled by the Department due to the maximum utilization of facilities at which time any fees paid will be credited to the Student’s account.

   b. **No Show Cancellation Policy:** Students who have not properly occupied their room by 12 p.m. on the first day of classes and have not notified the Department of their late arrival may be declared “no shows” and be reassigned based on availability of bed space. Students who are academically dismissed and complete these steps after the opening of the halls will be charged a $1,500.00 cancellation fee and a daily-prorated rental charge.

3. **Cancellation by Student**:

   a. **Eligibility, Procedure**: Students wishing to cancel their housing Agreement prior to the opening day of the residence halls for the term of the Agreement may do so, but certain charges may apply. Cancellation requests must be submitted through the Housing Portal under the “Cancellation Form”. Requests for cancellation over the phone, in-person, or via email will not be accepted. A Student living in The Village agrees that early cancellation of this Agreement may not be permissible, should such a cancellation result in an occupancy level below that which is in Agreement with the University.

   b. **Cancellation Circumstances**: A Student cancellation request must be expressly authorized by the terms and conditions of this Agreement must be made via the Housing Portal. The Department may, within its sole discretion, deny any cancellation requests. Cancellation of an Agreement may be subject to the cancellation fees as set forth in this Section IV.3.c. Cancellation of the Agreement is subject to the other conditions contained herein, including the payment of applicable cancellation fees.

   c. **Cancellation Fee Chart and Policy**: Fees will be assessed as follows and are dependent on the status of the applicant in the assignment process and the time of the cancellation notice:

The fees will be added to the students financial account and will be due and owing immediately. Non-payment of the fees may result in a student registration hold or restriction on graduation and ability to obtain a transcript. Late payments may also include collection fees.

   e. **Cancellation Due to a Medical Issue**: The Student must provide a medical withdrawal that has been accepted and approved by the University of South Florida. Medical withdrawal terminates this Agreement for any semesters commencing after the medical withdrawal date, and USF will credit a portion of the rent for the semester the Student withdraws for medical reasons, based upon the
Student’s move out date. Medical conditions that do not require medical withdrawal from USF may not be eligible for a reduction of cancellation fees.

f. **Cancellation Due to a Transfer to another USF Campus:** Students wishing to transfer to a USF branch campus must provide proof that the transfer has been approved when submitting a Cancellation request of the Agreement.

   i. Any Cancellation request submitted prior to the end of the University’s Add/Drop period (5:00 p.m. of the first Friday of the semester) will not have a cancellation fee charged to the Student’s account. The Student will be responsible for any prorated rental fees.

   ii. Any Cancellation request submitted after the University’s Add/Drop period (5:01 p.m. of the first Friday of the semester) will be responsible for the terms of the Agreement in which the Cancellation request is submitted. If the Student moves out at the end of the term, then the Student shall be released from the Agreement at the conclusion of the term without penalty. If the Student moves out prior to the end of the term, then the Student will be charged a prorated rate for the time of Occupancy and half of the remaining rent of the current semester.

g. **Appeals:** In extenuating circumstances, Student may submit to the Department a cancellation request for circumstances that do not meet the criteria set forth herein. The Department’s Appeals Committee, within its sole and absolute discretion, may, but is not required to, authorize a reduction or removal of cancellation fees after written petition from the Student (form available on the Housing Portal under Housing Forms). If the Housing Appeals Committee releases Student from this Agreement, Student will remain subject to any applicable charges or fees as determined by the Housing Appeals Committee, including, but not limited to, a cancellation fee. Decisions of the Housing Appeals Committee are final and cannot be further appealed.

V. **GENERAL PROVISIONS:**

1. **Department Interpretation Controls:** Department shall make the final interpretation of, or determination under, all provisions of this Agreement, as well as any related University Policies.

2. **Department Not Liable:** The Department is not liable for loss of or damage to Student’s personal property kept in Student’s assigned Space or on or about any of Department’s facilities.

3. **Modifications:** This Agreement may not be modified or amended, except by a further written instrument executed by both Department and Student.

However, if it shall be found that any part of this Agreement is illegal and unenforceable, such part or parts shall be of no force and effect to the extent of such illegality or unenforceability, without invalidating the legal and enforceable remainder of such part or parts or any other part of this Agreement.

11. **Governing Law; Venue:** This Agreement and all transactions governed by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida without regard to principles of conflicts of laws. In the event of any legal or equitable action arising under this Agreement, the parties agree that the jurisdiction and venue of such action shall lie exclusively within the courts of record of the State of Florida located in Hillsborough County, Florida, and the parties specifically waive any other jurisdiction and venue.

12. **Sovereign Immunity:** Nothing contained herein shall be construed or interpreted as (a) denying to either party any remedy or defense available to such party under the laws of the State of Florida; (b) the consent of University or the State of Florida or their agents and agencies to be sued; or (c) a waiver of either University’s or the State of Florida’s sovereign immunity beyond the limited waiver provided in section 768.28, Florida Statutes.

*The University of South Florida is an equal opportunity institution and, as such, assigns residence hall space to qualified enrolled students without regard to race, color, marital status, religion, national origin, disability, age, Vietnam Era or disabled veterans status, sexual orientation or gender identity, as provided by law and in accordance with the University's respect for personal dignity.*
As you know, we are living in unique and unprecedented times. The University of South Florida holds as paramount the health, safety and welfare of our community. Yet, we all must acknowledge that we cannot guarantee a COVID-19 free environment and it would be disingenuous to suggest otherwise. Taking steps to reduce the risk of COVID-19 is the shared responsibility of every member of our community. Therefore, as the University of South Florida prepares for the return of residential students on our Tampa and St. Petersburg campuses for the 2020-2021 school year, we know changes will be required to follow health and safety standards and guidance for community living due to Covid-19. Acknowledging these changes to the traditional USF residential experience, we are issuing the following addendum to the USF Student Housing Agreement to provide students with greater detail about these shared obligations, what they may expect and how changes may impact their residential experience in the coming year. Please take the time to carefully review each item.

Additional Terms, Conditions and Responsibilities for 2020-2021 USF Student Housing Agreement:

1. Health and Safety.
   A. The Student acknowledges the inherent elevated risk associated with living in a community environment and the Student’s shared obligation to prioritize health and safety for the benefit of the entire community.
   B. The Student acknowledges they have considered their own personal health status and increased risk factors inherent with community living, including the risk of exposure or infection by COVID-19, when deciding to live on campus.
   C. The Student agrees to adhere to University expectations intended to minimize risk of exposure to COVID-19 consistent with health and safety guidance including, but not limited to, practicing physical distancing as recommended by CDC and wearing appropriate face covering when within six feet of another individual when required.
   D. University staff will educate and inform residential students on appropriate cleaning protocols within their personal living space and shared spaces. The Student acknowledges their responsibility to keep personal living space in a sanitary condition and to adhere to sanitation standards in shared spaces. USF staff retain the right to conduct health and safety inspections of the living space.
   E. The Student acknowledges they may be required to submit to symptom checking or COVID-19 testing to access the residential community.
   F. The Student agrees to disclose to the appropriate University medical official immediately upon notification of positive COVID-19 test status or contact from Florida Department of Health about exposure and instruction to isolate.
   G. The Student agrees to comply with University direction requiring isolation. Isolation may require removal from assigned room, building, or campus. Isolation does not constitute cancellation of the Student Housing Agreement.
   H. Students are required to comply with all health and safety law, orders, ordinances, policies, regulations, and guidance adopted by the University or Department as it relates to COVID-19. This guidance may evolve as circumstances warrant. University may require student to leave University housing in the event the Student’s continued presence poses a health or safety risk to the housing community.

2. General Terms and Provisions
   A. The Student acknowledges the University may restrict the full use of spaces and amenities within the residential community including, but not limited to:
      a. No visitors, including overnight guests, are permitted.
      b. Access to residential spaces is restricted to residential students, University staff, and approved vendors.
      c. Residents may only enter the residential building to which they are assigned unless otherwise posted (i.e., to access critical services such as mailroom, dining services within residential building, staff offices.)
      d. Residents may only have one other building resident as a guest in their assigned room.
      e. Access to and use of amenities/space may be restricted or limited in capacity (community space, lounges, kitchen, laundry rooms, elevators, etc.)
B. The Student acknowledges the Agreement start and end dates and the length of Agreement may be adjusted to align with the University academic calendar.
C. The Student acknowledges the building or room assignments may be changed prior to arrival or at any time during the term of the Agreement the University deems necessary.
D. The Student acknowledges Student-initiated room change requests may be restricted or limited after occupancy.
E. The Student acknowledges the Student will not be eligible for a refund of housing rental rates and fee if Residence Halls close, access is restricted during the term, or if the length of Agreement is adjusted.
F. In the event of a conflict between the above Addendum and the original Agreement, this Addendum will apply.

USF is committed to supporting our students in their return to campus during this unprecedented time and recognizes the value of the on-campus residential experience. The above information has been provided to allow students to make an informed decision about living in residential housing for the 2020-2021 school year. While the above is intended to provide some detail, there may be additional modifications needed as the year progresses and we track the impact of COVID-19 on our residential community and campus. As always, we will endeavor to update you with timely information about specific health and safety guidance important for our residential community.
Meal Plan Provisions:
Your USF ID, which serves as your meal card, is required for all transactions – no exceptions. All meal plans starting in the Fall for First Year Residents are a two-semester commitment (FALL 2020 & SPRING 2021); Dining Dollar Only plans are not a meal plan.

If your USF ID Card is lost or stolen, you must immediately report it to USF Dining Services 813-974-4499 to place ID on hold or you may place it on hold at usf.edu/Bullbucks. USF Dining is not responsible for any meals missed due to lost or stolen USF ID Cards. You may be eligible for a temporary card issued by the Meal Plan Office located in the MSC room 1502. The card would be valid only at dining halls for 5 days from when it was issued. You must return the temporary card or you will be charged $10.00.

First Year Resident Meal Plan:
As part of your first-year experience at USF, students who are residing on campus, are to select a meal plan prior to moving into their residence hall or on-campus apartment and may select an Open Access or Any 15-meal plan. (Summer residency is not included as a previous term of residence and does not exempt a student from the meal plan requirement for new residents). Exceptions are for transfer students with 12 or more college attended credit hours (dual enrollment does not apply). First year students who move on campus after the start of the semester have one week to select an Open Access or Any 15 plan.

Grace Periods:
You may upgrade your account at any time. A grace period is provided each semester during which you may change the prorated value of your Residential Meal Plan to another Residential Meal Plan. Fall 2020 grace period: 08/24/20 - 08/28/20 at 4pm & Spring 2021 grace period 01/11/21 - 01/15/21 by 4pm. Meal Plan changes must be completed in person at the USF Dining Services Meal Plan Office located in MSC 1502.

Cancellation Policy:
It is the meal plan holder’s responsibility to notify USF Dining of the request to cancel a meal plan by the end of the grace period, unless withdrawing from the University. All cancellations must go to the USF Dining Committee for review and decision. If a student does not receive Housing or cancels a Housing assignment, this does not automatically cancel a meal plan contract. Non-payment does not cancel your meal plan. Exceptions: Students not returning for Spring semester need to bring verification of registration withdrawal or transfer to the Meal Plan Office by the end of the Fall semester.

Dining Dollars:
Any unused Dining Dollars from the fall semesters will rollover to the spring semester with the purchase of a Spring Meal Plan (excludes Dining Dollar Only Plans). If the account holder does not wish to participate in the Spring Meal Plan (returning and off-campus students only) any unused Dining Dollars will be forfeited at the end of the Fall semester: Last day of Fall meal plan Friday December 11, 2020. Unused Spring Dining Dollars will be forfeited at the end of the semester, May 7, 2021. It is the student’s responsibility to monitor their Dining Dollar balance. This can be done by downloading the MyUSF app and selecting the Bulls Bucks button (this will show Dining Dollars balance). Dining Dollar only plans are valid only for the semester purchased.

Refund Policy:
All website purchases are considered to be final. Exceptions will be made for processing errors. All refunds for processing errors will be refunded to the credit card used for the purchase.

Important Dates:
- Fall Meal Plan begins on Thursday, August 20, 2020 and ends Friday, December 11, 2020.
- Spring Meal Plans begin on Friday, January 8, 2021 and ends Friday, May 7, 2021.

For your convenience, all Spring meal plans will be automatically activated for you to enjoy beginning January 8, 2021. Should you wish to make any changes to your plan, we encourage you to come to our office during the appropriate grace period (see section: Grace Period).

Dining halls may be closed for the Thanksgiving Holiday, Winter Holiday, Spring Break, and other University Holidays. Dining Hours are subject to change due to school holidays, exam schedules, reading days, and inclement weather conditions. View USF Dining’s Hours of Operations, Menus, and limited time Meal Plan Offerings at USF Dining.

Payment Provisions:
All charges for a meal plan selection will be posted to the student account (OASIS) with payment due in accordance with University payment deadlines or as otherwise specified:

The USF Dining funds and plans cannot be used as a gift card or gift certificate. Students have the ability to monitor their account balance by downloading the MyUSF Mobile App and clicking on the $ icon.

**Open Access and Any 15 Meal Plans are non-transferable:** Only the participant may use the allotted meals at the residential dining halls. The Dining Dollar portion of the Meal Plan may be used to treat guests to a meal, if desired.

**Any 15:** The meal week runs from Wednesday morning to Tuesday night. Unused meals on the Any 15 plan do not carry forward to the following week. Meals reset to 15 meals every Wednesday morning.

**CARRY-OUT POLICY:**

As a courtesy, USF Dining offers the option to take your meal to-go from any three Dining Halls on campus, using our eco-friendly green to-go box. At the Hub, Juniper Dining and Champions Choice, please specify if you will be dining in or would like to take your meal to-go. For each meal taken to-go, you will be charged one meal swipe or the dining dollar amount for that meal period. There will be a one-time $5 deposit fee for your initial to-go box. After using your to-go box, please return to the Hub, Juniper Dining or Champion’s Choice to exchange for a clean box. A maximum of two to-go boxes are allowed out at one time.

**CARRY-OUT USAGE:**

1. Bring your clean to-go box into any three dining halls. (Juniper Dining, Champion’s Choice, and The Hub)
2. Swipe in to pay for your meal, indicate that you would like your meal to-go at the cash register. You are NOT allowed to dine in using a to-go box.
3. Fill up your to-go box with a variety of delicious food. The box must be able to clasp shut prior to leaving the dining facility.
4. Bring your to-go box into any three of the dining halls to exchange for a clean one.

During the last week of the semester, one to-go box may be returned to any Dining Hall (The Hub, Juniper Dining or Champion’s Choice) to receive a refund for the $5 deposit. The $5 reimbursement will be refunded in Dining Dollars on your student account. USF Dining is NOT responsible for any food taken outside of the Dining Facility. Only two pieces of whole fruit are permitted to be carried outside the Dining Facility per visit.
