This year’s event will be **Friday, June 7th from 8:00 am to Noon** in the **School of Music**. Participants will each attend two workshops:

- Workshop 1: Children will walk or take a Bull Runner bus to a department.
- Workshop 2: Departments will travel to the School of Music to present a workshop.

### Available Options for Workshop One – 9:30-10:15:

**Advanced Visualization Lab (All Ages)** Observe cutting-edge marvels in our Advanced Visualization Lab. Imagine viewing Google Earth with six million pixels (six times more than MOSI’s IMAX). Zoom from space to a single tree in ultra-high resolution. View and rotate ancient artifacts in 3D. Watch a 3D printer in action recreating artifacts scanned in the field. Offered by Information Technology: Advanced Visualization Center.

**The Art of Making Prints (All Ages)** Printmaking is the art of creating multiple versions of an artwork on paper. Graphicstudio uses a combination of traditional techniques and cutting-edge technologies to make prints with artists who have been invited to work at the studio. Watch a printmaking demonstration and learn about careers in fine arts printmaking. Offered by Graphicstudio.

**Discover the World of Early Childhood (Middle, High School)** Interested in teaching and learning, and early childhood education? Observe a preschool classroom and interact with the children in a highly engaging environment where they investigate, learn and grow. Offered by the USF Preschool for Creative Learning.

**Finding Your Future! (All Ages)** "What do you want to be when you grow up? What would be an ideal job for you?" Discover what you can do NOW that will help you learn about yourself. This workshop will focus on how to explore your possible future. Offered by Career Services.

**I’ve Got Your Six! (High School)** What kinds of jobs do veterans do? What are veteran students like? How can your current interests translate into a military career? What does “Got Your Six” mean and how do faculty and staff at USF do that? Come get answers to these questions firsthand by interacting with the Office of Veteran Success staff and students. Offered by USF Office of Veteran Success.

**In Case of Fire... (Elementary, Middle School)** Do you know how to use a fire extinguisher? How do HazMat workers handle hazardous chemicals safely? Participate in hands-on activities as you put out a real fire, handle “hazardous” chemicals safely and pull a fire alarm. Learn about careers in health and safety. Offered by Environmental Health and Safety.

**Media Innovations (Middle, High School)** Good design and media creation like video, motion graphics and interactivity are key to developing innovative content for learning in the digital world. Visit the Innovative Education state-of-the-art facility and video production studio to experience how teams work together to create engaging content to help USF students learn. Offered by Innovative Education.
**Play, Lead, Serve (Middle, High School)** This interactive workshop will include game play and problem solving activities that will help you learn how to thrive in the groups, teams, and communities in which you interact. Offered by Center for Leadership and Civic Engagement.

**The Pharmacy of the Future (All Ages)** Tour USF Health Pharmacy Plus and learn about the services offered. Learn how pharmacists are an important part of your health care team! Make sure you stop by the pharmacy and meet “Rx” the Robot! Offered by College of Pharmacy.

**University Police Careers (All Ages)** Children will visit the police department building and get to see the different sections within the department along with the vehicles and equipment that are used by the officers. Offered by USF Police.

**USF Bull Nursing (Middle, High School)** The workshop will introduce students to important nursing skills, such as taking vitals and checking blood pressure, in the College’s nursing simulation laboratory, where they will be able to work with simulated “dummy” patients. Students will visit 5 stations and talk face-to-face with nursing professionals, professors and students. Offered by College of Nursing.

**Available Options Workshop Two – 10:45-11:30**

**Champions Circle (All Ages)** Meet a USF Athletics Coach who will talk about training hundreds of college athletes to success. Get the inside scoop on how USF Bulls teams get stronger, faster and ready to win a championship! Offered by Athletics.

**Culinary Careers (All Ages)** Get behind the scenes with USF Dining. Learn about culinary professions, talk with a chef and have a chance to get some hands-on experience preparing culinary delights. Offered by USF Dining/Aramark.

**Curtain Call (All Ages)** Step onstage to see where the magic happens. Learn about stage lighting and special effects from a theatre professional. Offered by School of Theatre and Dance.

**Healthy Play, Healthy Life (Elementary)** Join this session to explore healthy ways to address stress/emotions as well as mindfulness strategies, nutrition advice and exercise with interactive activities guided by YOU. Offered by Center for Student Wellbeing.

**Know the Skin You’re In (Middle, High School)** Get to know the largest organ in your body – your skin. Learn about the anatomy of our skin and how it protects us from disease. Skin infections can become serious problems and may even require surgical incision and drainage. Join Physician Assistants from USF Health in learning about the skin and you will be able to perform your own incision and drainage on a simulated skin abscess. Offered by USF Health Physician Assistants.

**Show and Tell with Education Abroad (All Ages)** Engage with fun artifacts from around the world and interact with domestic and international students through game play and other exciting activities. Offered by Education Abroad.

**Virtually Tour the Radio Station to See and Hear How the News Gets Made (Elementary, Middle School)** WUSF Public Media operates two 24-hour radio stations, digital media and video production services. You’ll hear about the reporters and anchors producing local and NPR, the classical and jazz DJs who share the music, and learn about our video production studios. Learn how our staff provides news, information, and music to residents across Tampa Bay and the world. Offered by WUSF Public Media.
How to Register

Visit our [online registration site](#) to register and select your workshops.

Please choose your first, second and third choice for Workshop 1, then make your selections for Workshop 2.

After making your workshop selections and completing the form, add additional children one at a time, if needed.

Fee of $6.00 per child will be collected via credit or debit card during registration.

*Children will only be released to the person listed on the registration site as the designated pick up person. This designated person must bring a photo ID when picking up the child(ren).*
