Employees who are on visiting appointments, temporary appointments or who have received notice of non-reappointment or dismissal or who have resigned with an effective date occurring prior to the effective date of the salary increase described herein are not eligible to receive the increase described in Article 23.1A(1).

### C. Effective Dates of Salary Increase.

The effective date of the salary increase described in Article 23.1.A.(1) shall be as soon as practicable, but no later than six (6) weeks after ratification by the Board of Trustees

### 23.3 Contract and Grant Funded Increases.

Employees on contracts or grants shall receive salary increases equivalent to similar employees on state funding, provided that such salary increases are permitted by the terms of the contract or grant, the rules of the funding agency, and adequate funds are available for this purpose in the contract or grant.

Employees shall be paid from salary dollars for all assigned duties up to the established FTE on the position and from OPS dollars for assigned duties in excess of the established FTE on the position. Appointments in excess of 1.0 FTE shall be paid from OPS dollars. Employees may be paid from OPS dollars for assignments outside employees' home departments/units and for work on USF funded internal grant programs.

### 23.5 Salary Adjustments.

A. The University shall retain the authority to make salary adjustments for employees, based on the published guidelines of the University in effect as of August 7, 2004, for extra compensation and verified counteroffers and to make salary adjustments for market equity, including compression/inversion. Also, the University shall retain the authority to enter into financial settlements with employees in the settlement of grievances and lawsuits and other disputes. There is no total annual limit on the expenditures in the above cases listed in 23.5. In addition, the University retains the authority to make salary adjustments and to provide cash bonuses for special achievements and to develop and implement plans to provide additional base salary or lump sum increases for excellence in research, teaching, service and other assigned duties so long as the total expenditures do not exceed .5% of the August 7, 2018, in-unit employee salary base. In addition, any unused remaining discretionary expenditure authority from previous and/or existing contractual rights shall be added to the .5% discretionary base described above.

B. The authority of the University to make salary adjustments or award cash bonuses in pursuit of Article 23.5 A shall cease on December 31, 2020. Nothing in this Agreement shall waive the University's or UFF's right to make proposals and to negotiate over any provision in Article 23 during reopener negotiations including, but not limited to, the discretionary cap set forth in Section 23.5.

#### 23.6 Report to Employees.

All employees shall receive written notice of their salary increases on the "Appendix E" prior to the implementation of the salary increases described in this Article. Upon request, an employee shall have the opportunity to consult with the person or committee which makes the initial and final recommendation for salary increases.

Written reports shall be provided without cost by USF to the UFF indicating all salary and compensation adjustments and bonuses made on a quarterly basis pursuant to Articles 8.4D, 23.1A, and 23.5 by amount, nature of adjustment, name, rank department and college. The information shall be provided no later than 45 business days following the close of a quarter.

#### 23.8 In the case of multi-year salary increases in this Article:

- A. The increases contained in this article are contingent upon no reduction in the University's recurring Performance Based Funding ("PBF") as compared to the level of PBF on August 1, 2019. To avoid confusion, the PBF Model was approved at the January 2014 Board of Governor's Meeting. The model includes 10 metrics that evaluate Florida institutions on a range of issues. PBF levels will be calculated on August 1 in each year of the contract for the purposes of determining if there was a reduction in PBF.
- B. In the event of a reduction in PBF funding the University shall have the sole discretion to determine whether to proceed with the increases described in the article. In the event the University does not proceed with the increases due to reduction in PBF, the University will notify UFF in writing of its decision ("Notice"). Within 30 (thirty) days of the University's Notice, the parties will meet to bargain in good faith for an alternative salary article.
- C. Authority for new salary adjustments described in Article 23.5 will also cease based on the University's Notice; however, any prior unspent discretionary authority from prior contract years will remain in full force and effect for the duration of the Contract, subject to the reporting requirements of 23.7.
- D. Increases for tenure and promotion and increases that are committed to prior the University's Notice are unaffected by same.

Moreover, should the Florida law regarding the State's Performance Salary Systems be amended by the Legislature during the term of this Agreement such that merit base salary eligibility for permanent status employees is changed, the UFF may reopen this Agreement to address those affected employees.

29.2 Amendments. In the event the University and the UFF negotiate a mutually acceptable amendment to this Agreement, such amendment shall be put in writing and become part of this Agreement upon ratification by both parties.

29.3 Renegotiations for a successor agreement shall begin no later than August 1, 2020.
