Dear Friend of the College of Engineering,

The mission of the USF Engineering Alumni Society (EAS) is to ensure that our alumni remain engaged with the College of Engineering after graduation, offer events that bring together faculty, staff, students, and alumni for the purposes of personal and professional growth, and provide opportunities for an enhanced experience as students pass through the curriculum at our alma mater. Our mission wouldn’t be possible without the investment of our outstanding alumni and friends.

Bullarney is our largest fundraiser of the year and through the generosity of donors like you, we have provided over $500,000 in scholarships to more than 500 students over the past 20 years. We invite alumni, friends and family back to campus for libations, specialty food stations, dancing, a silent auction, games and entertainment. This fun filled evening is not your typical fund raiser. So we invite your company to join us a sponsor and support the EAS.

Please review the attached sponsorship packages. We have some exciting new sponsorship opportunities that we hope you will consider. We look forward to seeing you on Saturday, March 2, 2019 in the USF Gibbons Alumni Center for Bullarney!

Sincerely,

Robert W. Andrew
