# TRANSPORTATION AND HOTELS

## TRANSPORTATION

### Getting Around Campus

Students living off campus typically use the USF Bull Runner bus line or the Tampa community bus line to commute to campus. However, any student who wishes to drive his/her own vehicle and park on campus must obtain a parking permit. Contact USF parking services to inquire about purchasing a parking permit.

The USF Bull Runner is a free bus for USF and INTO USF students—just show your USF ID. The Bull Runner offers transportation on campus and to nearby locations. Download the app for real-time updates on bus locations and stops.

### Getting Around Tampa

Hillsborough Area Regional Transit (HART) is the transportation company serving Tampa. Check out the schedules at [www.gohart.org/Pages/maps-schedules.aspx](http://www.gohart.org/Pages/maps-schedules.aspx). You can receive real-time HART arrival and departure information via OneBusAway Tampa. Simply locate your three or four Stop ID number (ex. 4804) and text **HART 4804** to **41411**. Within moments, you will receive estimated arrival times for your stop.

### Cars and Taxis

Planning to drive in Florida? You must get a Florida driver's license if you are here more than 30 days. All car owners and drivers must have their car registered with Florida Department of Motor Vehicles and have Automobile insurance.

### Ride Shares

Ride share apps are a convenient way to get around the city and can be cheaper than taxis. These apps are available for IOS and android through the app store:

- Uber
- Lyft

### Bicycles

Many students like to ride bikes on campus. Remember to wear a helmet, lock your bike up on the bike racks provided around campus and at stores, and ride safely. Bikes can be rented from USF's Outdoor Resource Center for an affordable rate on a day, week, weekend, and semester-long basis. Bike rentals must be made in person during outdoor resource center hours. The outdoor resource center is located in the main campus recreation center on the lower floor in REC 013. For more information, call +1 813 974 5557.

### USF Safe Team

Golf cart and walking escorts at night. The SAFE Team also patrols parking lots looking for strange activity.  
+1 813 974 SAFE (7233)

**SAFE Ride Uber Code:** USF students may receive a \$30 voucher for use with an Uber ride once per month.

# RELIGION AND SPIRITUALITY

Spirituality and faith customs play an important role in many people's lives, and the cultural diversity of Tampa makes it simple to find places to worship and connect with others who share your religious beliefs. Being in the culturally diverse city of Tampa, USF students also have the option of connecting with religious and spiritual groups in the community surrounding campus.
