Have you seen the guide to get you ready for Orientation? If not, check it out HERE!

**STEP 1: CHECK IN**
You'll check in to Orientation and receive your schedule and some free USF items!

**STEP 2: WELCOME TO USF!**
You'll be welcomed as an official USF Bull!

**STEP 3: MEET YOUR TEAM LEADER**
Meet the Student Leader that will guide you through your whole Orientation. They are USF students just like you!

**STEP 4: MEET OTHER STUDENTS**
You'll have plenty of opportunities to meet fellow students from around the world. The first time you'll have a chance to do this is right after your welcome.

**STEP 5: START YOUR SESSIONS**
During your sessions, you'll get your medical documents checked and meet with our Finance team. You'll also take two English tests, which will place you in a level. After you take your tests, you'll receive your level and get your class schedule.

**STEP 6: GET CONNECTED WITH RESOURCES**
During Orientation, we have an event called the Resource Fair where we bring out phone and bank companies so you can set up necessary accounts without having to leave campus! We also bring campus departments and organizations so you can learn more about some of the many resources available to you at USF.

**STEP 7: MUNCH AND MINGLE AT OUR WELCOME EVENT**
Every Orientation, we have an event to welcome all new students with food, music activities and maybe even an appearance from our mascot, Rocky the Bull.

**STEP 8: GET READY FOR CLASS**
You'll get your class schedule once you know your level and have also attended all of the Orientation sessions.

GO BULLS!
