- **Guardian911** (precautionary timer, alerts UP if not cancelled. GPS)
- **Smart911** (critical information)

www.mobull.usf.edu

- Siren and loud speakers
- Canvas
- Main USF website at www.usf.edu
- Flat screen TVs
- E-mail messages
- Social Media (Facebook, Twitter)
What to do if an officer stops you

• Pull the car safely to the side of the road and stop
• Roll down window and turn off radio
• Wait for the officer to come to you or give you instructions
• Don’t make any sudden movements
What to do if an officer stops you

• Don’t reach into glove box or under seats
• Be prepared to present
  • Driver license
  • Proof of insurance
  • Vehicle registration
• Sign the ticket, it is not an admission of guilt
• Don’t try to pay the fine at the scene, the officer will explain what to do
Drugs and Alcohol

• You must be 21 or older to possess or drink alcoholic beverages in Florida and all US states
• No amount of illicit drugs is legal to possess (marijuana, cocaine, etc.)
• Don’t drink and drive at any age
• Use caution when taking prescription medication
Theft Prevention

- Keep doors and windows locked
- Don’t leave valuables visible inside your car
- Don’t leave laptops unattended in library, classrooms, or common areas
University Police Services

• Basic self-defense courses for women
• Planning and management of special events
• Receipt and return of lost/found property
For more information about the University Police, or the latest version of the Annual Security Report, visit our website. **New versions are available in October** of each year.
