

## CARYLE CAMMISA

### U.S. AGENCY FOR INTERNATIONAL DEVELOPMENT

ccammisa@usaid.gov

#### Qualification Highlights

- Career Foreign Service Officer experienced addressing sustainable development challenges in Africa, South and Southeast Asia, the Middle East, Eastern Europe and Eurasia
- Broad-ranging technical expertise in stability, conflict, democracy, governance, education, health, environment, economic growth, energy, agriculture, gender, youth and humanitarian assistance
- Practiced representative and negotiator, coordinating with U.S. government agencies, international donors and host government officials

#### Professional Experience

##### Strategic Planning and Interagency Cooperation

- Represented USAID in interagency policy discussions on development cooperation with China, support to ASEAN, illegal/unreported/unregulated fishing, human migration and trafficking, and dioxin clean up.
- Expanded private sector partnerships to support three youth leadership hubs in Africa as part of President Obama's Young African Leaders' Mandela Fellowship program.
- Designed and co-led the first USAID-Special Operations Command collaborative interagency planning exercise focused on Africa's Sahel and Maghreb regions.
- Led strategic planning for East Africa, involving other U.S. government agencies, international donors, nongovernmental organization and host government representatives, and produced development cooperation strategies for four USAID missions - East Africa Regional, Somalia, Burundi, and Djibouti.

##### Technical Leadership and Analysis

- Led a diverse team of senior technical experts in energy and infrastructure, democracy and governance, and private sector development to address the development challenges in Europe and Eurasia.
- Managed humanitarian, resilience and conflict reduction programming for Syrian refugees in Jordan.
- Designed and managed a stabilization program monitoring platform for Yemen which was subsequently replicated in Somalia and Iraq.
- Commissioned and guided a youth radicalization assessment to inform youth programming in Yemen.
- Helped inform a multi-donor effort to analyze conflict minerals and wildlife trafficking in East Africa. Expanded AFRICOM awareness of the links between illegal trafficking and extremist networks.
- Established the first independently produced Sesame Street educational television program in Asia, known as Sisimpur – Bangladesh.
- Cooperated with the United Nations Development Programme to devise and fund conflict reduction and sustainable livelihood programming for vulnerable tribal communities in the Chittagong Hill Tracts of Bangladesh.
- Expanded and improved coordination of U.S. and Romanian stakeholders dedicated to social services and volunteerism, particularly those engaged in child welfare.

- Managed Comprehensive Market Reform program for Georgia valued at \$250 million, encompassing projects in privatization, land reform, accounting reform, banking supervision, capital markets development, private sector development, energy sector reform and agricultural development.

## Human Capacity Development

- Oversaw regional training workshop for democracy and economic growth officers from 11 USAID missions to provide cross-training in combatting corruption.
- Frequent presenter on variety of development topics to U.S. Special Operations Forces and other military personnel.
- Served on Coordination Committee to develop the agenda and follow up actions for USAID Worldwide Program Officers' conference for 240 participants.
- Recruited and supervised senior gender expert to conduct a Gender Audit and provide extensive staff training to enhance USAID programs in Bangladesh.
- Recruited and guided U.S. child welfare expert to reform Romania's child welfare system and eliminate abusive orphanages.
- Improved communication and coordination in six USAID missions through recruiting, training and mentoring key communications staff.
- Career-long dedication to creating opportunities for, supervising and mentoring junior foreign service officers, local national staff, student interns, rotational staff, and Presidential Management Fellows.
