Join us for an introduction to teaching at USF, including important information about semester essentials, syllabus and course design, effective lecture, and evaluation of teaching toward tenure or promotion.

Student Affairs & Student Success strives to provide an outstanding student-centered learning environment at the University of South Florida. We believe that an integrated holistic student experience is critical in order to prepare our students for the educational endeavors in higher education and in the global society.

This session is designed to introduce you to the Student Success Initiative and its leadership team. Senior leaders will highlight initiatives in degree completion, career readiness, graduate student success, access and affordability, student engagement, health and wellness, male student success, and resource management.

In lively smaller groups, you will meet your colleagues from across campus to create informal support networks and learn more about interactive teaching techniques, classroom management, creating assessments, and teaching with technology.

Meet USF President Steven C. Currall and other university administrators as we conclude the New Faculty Orientation with a reception in your honor. This event is for you and a guest. Dress is business casual.
