(1) Tuition and Fees – 2022-2023. Tuition is defined as the basic fee assessed to students for enrollment in credit courses within USF. Out-of-state tuition includes the basic fee and out-of-state fees for enrollment in credit courses within USF. Tuition and associated fees consist of the following, depending on whether a student is in-state or out-of-state. Florida Statute or Board of Governors [Regulation 7.001](#) may affect the fees as listed. The University will immediately apply the changes mandated by law and initiate the technical or substantive amendments to this Regulation as appropriate.

As long as uninterrupted active enrollment has been maintained, students admitted prior to Summer 2020 are exempt from paying some of the fees listed. All fee schedules by initial enrollment date can be viewed at:
