Conditions of Use:

I hereby authorize members of my laboratory to use the facilities and services of the FCoE-CDDI NMR Core Facility. I understand that my account will be billed according to the hourly usage of the NMR spectrometers and the current fee schedule. All publications resulting from the use of the FCoE-CDDI NMR facilities should be cited as follows: *"This work has been supported in part by the Florida Center of Excellence for Drug Discovery & Innovation at the University of South Florida."*

By signing you agree with the "Conditions of Use" stipulated above.

NMR FEES / SERVICE INFORMATION

User fees will be charged based on hourly usage of the NMR spectrometer. The current fee schedule is shown below:

Project / Experiment Name: _____

VNMRS 600 / FEES		VNMRS 800 / FEES	
USF*	\$6.00	USF*	\$6.00
SNP*	\$25.00	SNP*	\$25.00
COM*	\$100.00	COM*	\$100.00

PRICE \$ _____ X _____ (hours used) = \$ _____

SET UP FEE OF \$ _____ = \$ _____

ANNUAL FLAT RATE OF \$ _____ = \$ _____

For large projects, where more than 300 hours of usage is anticipated, users can elect to pay an annual fee for NMR time. This fee will be determined following a discussion of the project with the facility manager and the technical director. Depending on the size of the project the fee will range between \$3,000 and \$5,000 dollars. We are currently working to establish a training program for users. Until this program is in place all experiments will be set up by the facility manager and users will be charged a setup fee ranging from \$25 to \$50 dollars depending on the type of experiment(s) requested.
