

# **NAI Workshop On Tampa Bay Alliance for Training in Technology, Innovation, and Entrepreneurship (2TIE)**

**11:00 – 11:30 am: Roundtable Discussion**

**Chair: Cliff Merz, USF Chapter of the National Academy of Inventors,  
cmerz@usf.edu**

**GOAL:** To establish an alliance of organizations interested in the training and education of K-12-to-postgraduates of Tampa Bay in research, innovation, and entrepreneurship through courses, seminars, internships, and mentoring.

## **Today's Discussion Framework:**

- Introductory Remarks
- Audience Questions/Answers
  - General Comments
- Determine if there is consensus among the organizations to pursue further, and if so, begin the process of identifying a board/group of parties interested in further discussions towards developing the alliance.
