Join the

STUDENT INNOVATION INCUBATOR

CLASS OF 2019-2020

Are you ready to bring your startup to the next level? The Student Innovation Incubator helps USF students start and grow a business while in school.

BENEFITS

• Develop your student business or idea
• Access to a collaborative & high-tech office space in the USF Research Park, grant funding, pitch competition opportunities, and industry mentor match
• Attend seminars presented by local CEOs, a SBDC Quick Start Series training, an adapted NSF I-Corps bootcamp, and special topics seminars

APPLY TODAY

DEADLINE: SEPTEMBER 6, 2019
