INSTRUCTIONS FOR FINAL EXAMS

- **Effective Fall 2020**, for each fall and spring semesters, the last full week of classes before final examinations is designated as **Test Free Week**. The intent of this policy is to establish a one week period of substantial and predictable study time for student. (See [Policy 10-005](#) for further details)
- Final exam timing for **asynchronous** courses without a time pattern designated will be determined by the instructor.
- If you have a conflict or a question, please contact Academic Space & Scheduling at 813-974-7969 or by email at AskSpace@usf.edu.
- If a class does not meet at one of the standard time patterns listed on the matrix, the instructor should contact Academic Space & Scheduling at AskSpace@usf.edu to obtain a suggested exam time. The instructor is responsible for notifying students of the scheduled exam time.
- Block finals **MUST** be scheduled only during the specified Block Examination periods on Saturday and Sunday. Departments work with Academic Space & Scheduling to reserve block final exam times and locations.
- Standard finals meet in room assigned for the course.
- When time-of-class examinations conflict, the course with the higher number will take priority. Instructors giving make-up exams will make the necessary adjustments.
