

Summer Meeting Guidelines and Patterns

The equivalent of 750 minutes of classroom instruction are required for each credit hour (D.O.E. Rule F.A.C. 6A-10.33)

Any class meeting for more than 1 hour and 15 minutes (75 minutes) must include breaks. Instructors should give one 15 minute break per 75 minutes of instruction. Summer meeting patterns include the time for necessary breaks.

All meeting patterns for a given credit hour course have the same number of instructional minutes when specified breaks are deducted.

The meeting patterns for the 6-Week and 10-Week sessions are constructed with similar beginning times.
