FROM: Senate Operations Committee
DATE: June 2022
SUBJECT: USF Staff Senate Membership

The Staff Senate was formed in the 1970's as a way to enhance communication between USF Staff and the University President. We serve as an advisory body to the President and other university officers on issues pertaining to USF Staff and the working environment at USF. Our group represents all departments on all USF campuses. For more information, please visit our website at <http://www.usf.edu/staff-senate>.

The Staff Senate is currently looking for Staff (USPS) employees who want to “**Make a Difference**”. If you want to be a voluntary member of campus governance, please complete the form below. All we request is a few hours a month for the monthly meeting and committee participation. Time spent working on Senate activities is considered time worked.

In order to become a member, you must first complete the form below. You may only self-nominate, so please do not nominate someone else with this form. If you are interested, we welcome your nomination. Please email this completed form to the USF Staff Senate Sergeant-At-Arms, Vynique Andrews, vynique@usf.edu.
