

PROPOSAL SUBMISSION PROCESS

Fast Track Grants are only required to complete these steps (see 'Award Levels' on back).

SGEF Proposal Process Helpful Information

Notes

- ¹ Develop Project Summary: Consult with (1) Nainan Desai (contact info below); (2) departments where project will reside; (3) Suchi Daniels (contact info below); and (4 – optional) members of the SGEF Council having relevant experience.
- ² Upon approval, further develop idea, gather cost estimates, and submit Space Impact Form with assistance from Nainan Desai.
- ³ Allow a one-week period for Technical Advisory Group review.
- ⁴ Allow a one-week period for SGEF Council review.

Award Levels

Fast Track Grants: < \$5,000 – require a Project Summary only

Medium Range Grants: \$5,000 - \$250,000 require a Project Summary and may require a formal proposal depending on the project size and scope (SGEF) staff will advise)

Signature Grants: > \$250,000 – require a Project Summary and a formal proposal
