3. Individual members of organizations may post in support of any candidate as an individual, but not on behalf of student organizations.
4. USF Departments, faculty, and staff may not sponsor candidates or spend resources on their campaign.

Candidates must seek approval for any campaigning based on the policies of the location or event.
8. All campaigning, both verbal and distribution of materials, is strictly prohibited in **academic resource centers, classrooms, the USF library, and all computer labs on campus. Campaigning beyond the USF Campus is prohibited and will result in disqualification.** Campaigning is also prohibited in any business institution that operates as a bar, lounge, or club.
