USF values accessibility and we want all members of our community to experience campus fully. If you are in need of reasonable accommodations (such as sign language interpreters, transcription or accessibility information) please contact Ms. Deborah McCarthy, Director of Students with Disabilities Services at 813-974-4309 or dmccarthy@usf.edu. Some accommodations may take several business days to implement. Thus, providing as much notice of your need as possible will allow SDS to best assist you.
