Thank You

Nearly all of the financial support the Office of Parent & Family Engagement receives to support our programs and operations comes from the revenue generated by Family & Friends Weekend.

Your registration enables us to support families as they support their student, to keep families informed of university happenings, and to provide opportunities for families to connect with each other.

Your contribution ensures that we can maintain our programs and services while paving the way for new initiatives that will benefit USF families for years to come. Thank you for your generous support!
