EXAMPLE: My name is Rocky D. Bull and I am a junior majoring in Biomedical Sciences here at the University of South Florida. I am currently the Public Relations officer for the Economics Scholar Society as well as an active member of Black Student Union and Alliance of Concerned Students. Ever since arriving on the Tampa campus I have been looking for a way to get involved and give back to the student body and I feel being your Senator is the best way I can do that. As a Senator I will fight to make Student Government more transparent so you can see where your money goes. In addition I will help to bridge the gap between Student Government and the student body by relaying real student concerns and getting your input on important matters. Finally as a Senator I will stand up for any student concern even when it differs with my opinion because I am a Senator for the students. VOTE RDB February 25th – February 28th.

Please submit the candidate photo and biography in a single word document. The photo must include only yourself and may not include any University or SG trademarks or logos. The photo is also due by Friday, February 8th at 5:00 pm.
