Mission, Vision, and Values

Mission: Student Health Services provides University of South Florida students with high quality evidenced based medical care and health education to support collegiate success and sustained wellness.

Vision: Student Health Services at the University of South Florida will be the student’s first choice for accessible, quality healthcare, education, and advocacy delivered by competent and compassionate professionals.

Values:

Patient Centered Care
We embrace Patient-Centered Care, providing care that is respectful of and responsive to the individual patient.

Teamwork and Collaboration
We foster teamwork that supports our internal and external stakeholders.

Equity and Inclusion
We embrace and support diverse ideas, perspectives, abilities and identities.

Integrity
We provide quality medical care that is ethical and reflects national standards of care and best practices.

Trust and Confidentiality
We foster patient relationships built on trust, respect and privacy.

Health & Wellness
We foster the well-being of our campus community by encouraging healthy routines and balanced lifestyles.

Innovation & Technology
We embrace the use of technology and medical innovation to improve the provision of medical care.

“They were very courteous and fast in getting me the treatment I needed. This allowed me to return to class quickly without any problems.”

Student Feedback

“We very friendly, helpful and overall great student customer service.”

We conducted patient satisfaction surveys during the Fall and Spring semesters. The results from the surveys showed that 87% of students receiving services at SHS were satisfied with the level of care received, meeting the 87% ACHA national benchmark.

Surveys ask the patients various questions about their care at Student Health Services and responses are based on a five point Likert scale.

5 - Strongly Agree
4 - Agree
3 - Neutral
2 - Disagree
1 - Strongly Disagree
Surveys were also collected for the various departments within Student Health Services. Student satisfaction remains above the 87% ACHA benchmark for these areas.

Question 1: Staff friendliness  
Question 2: Form instructions  
Question 3: Questions were answered  
Question 4: Assisted in a timely manner

Responses were based on the same five point Likert scale as the Student Health Services survey.

“Very helpful and kind!”
