

Participating Insurance Companies

List is subject to change. Confirm your plan's acceptance when making an appointment.

Student Health Services can bill the medical insurance companies listed below. If you have a plan with one of these companies, bring your insurance card with you to your appointment.

NOTE: most laboratory testing is not performed by Student Health Services. We currently have agreements in place to have send-out labs processed by Quest or LabCorp, based on insurance participation, even if Student Health is not a participating provider with an insurance plan. If your insurance carrier is not on this list, we encourage you to check with your plan to confirm their participation with either Quest or LabCorp. Then advise Student Health accordingly, and we will have your labs sent to the appropriate contracted lab. It is your responsibility to know what your insurance policy covers. If you accrue a charge that is not covered by your plan, it is your responsibility to pay that charge.
