

## Student Health Services - Student Fee Schedule

Prices are subject to change.

### Fees/Additional Charges

There is no out-of-pocket charge or co-payment for a basic provider visit at the SHS General Clinic. There may be out-of-pocket charges for minor procedures, laboratory tests, medications, or medical supplies incidental to your visit. Treatment at specialty clinics like gynecology, antigen or immunizations often incur out-of-pocket charges depending on the services provided and the extent of insurance coverage. The fees posted are maximum out of pocket fees. **The fees are the same regardless of the visit format (in – person vs. Telehealth)**

### Payment Methods

If there are charges for your clinic visit, payment is due at the time services are rendered. You may pay by credit or debit card, charge to your University account, or by presenting a valid health insurance benefit card from a participating network.
