

ORGANIZE

ANNOTATING TEXTBOOKS

WHILE PREVIEWING

- Activate your thoughts only, try not to mark yet.

QUESTION

- Turn headings into questions.

READ AND REVIEW

- After each section, paraphrase what you learned in your own words!

ORGANIZE

- ONLY after reading and reviewing should you highlight or annotate the key word or phrase or write organizer notes note in the margin because NOW you know what's important.

STUDY & TEST YOURSELF

- Manipulate, organize, compress information; develop study notes, cards, etc. and test yourself; answer questions actively; practice different examples.

USE THE 2-PAGE FORMAT
