What is the ASC?

The ASC department is made up of 3 distinct centers - Tutoring, SMARTLab, and The Writing Studio - delivering a broad range of academic services to USF Students in a variety of subject areas. Learning support at the ASC can take many forms such as, drop-in tutoring, 1x1 consultations, and small-group recurring appointments. Located on the second-floor of the Library, the ASC is the centralized hub of all Learning Assistance on the USF Tampa Campus, helping over 15,000 students in more than 125,000 visits each year. The ASC

collaborates with departments across campus to play a significant role in course success rates, graduation rates, and of course, individual student success!

Who works for the ASC?

As one of the largest student employers on campus, the ASC employs nearly 150 undergraduate and graduate students each semester! We recruit the most accomplished students from programs across campus.

What can I put on my resume after working for the ASC?

ASC student employees participate in several professional development opportunities including:

- an internationally-certified tutor and mentor training program
- departmental workshops and mentorships
- campus-partner trainings

What can I expect working for the ASC?

- **Flexibility:** The ASC is committed to scheduling around your class schedule and changing academic responsibilities. We value your success and respect your work/school/life balance.
- **Priorities:** The ASC emphasizes that our employees are students first and ensures that your work responsibilities will never impede your own academic success.
- **Consistency:** The ASC offers clear policies and expectation regarding breaks, time-off, tutoring policies and more, as well as opportunities for performance review, professional development, and leadership within the Center.

APPLY TO BE A TUTOR

What will I do?

In our innovative SMARTLab, drop-in centers or by appointment, contribute to students' academic success through individual and/or group learning support in various subject areas including Math, Physics, Statistics, Chemistry, Accounting/ Finance or Economics.

What are the minimum qualifications?

Candidate must be a currently enrolled, USF student in good academic standing with a minimum overall GPA of 3.25. Coursework requirements vary by specific subject area. Preference given to undergraduate students with at least one year of enrollment at USF and/or prior tutoring experience at the college level.

How do I apply?

Submit your completed Interest Form in-person at the ASC Tutoring Center or SMART Lab. Attach a copy of your resume and unofficial USF transcript (available through Oasis).
