

USF Academic Success Center

VIRTUAL STUDY GROUPS

Sign up to work with other students in the same course as you for weekly study group sessions facilitated by an Academic Success Center tutor!

COURSES OFFERED

- MAC 2311 Calculus I
- CHM 2045 General Chemistry I
- CHM 2046 General Chemistry II

GENERAL INFORMATION

- Study groups will be made of up to 4 students and 1 facilitator
- Meetings will be 90 minutes on the same day/time every week beginning the 3rd week of the semester

WHY JOIN A STUDY GROUP?

Community Support – Having group members in the same course, working on the same content provides a place to ask questions and get answers! You are in it together!

Accountability – The expectation that every group member attends every week provides built-in accountability and helps you stay on track!

Active Learning – Working actively with your group members in course concepts is a research-based effective approach to studying.

SIGN UP NOW!

Step One: Follow the link to complete the [Virtual Study Group Registration Form](#)

Step Two: You will receive a confirmation email with instructions to **select the DAY and TIME** of your group meeting. Your registration is not complete until you select your DAY and TIME.
