PREREQUISITE COURSES

There are no state mandated prerequisite courses.

Major Description:

The major in Criminology provides students with in-depth exposure to all facets of the criminal justice system including law enforcement, detention, the judiciary, corrections, juvenile justice and probation and parole. The program concentrates on achieving balance in the above aspects of the system from the perspective of the criminal justice professional, the offender, and society. The program provides a solid background in the theory, issues and methodology comprising Criminology. The objective of the undergraduate program in Criminology is to develop a sound educational basis either for graduate work or for professional training in one or more of the specialized areas comprising the modern urban criminal justice system.

The following is additional information for the Criminology major:

- The major requires a 2.0 or higher GPA.
- The major also has a “D” rule for major grade requirement.
- Criminology majors are limited to one grade of “D+” or lower in their major coursework. Any student who receives a grade of “D+” or lower in more than one USF Criminology major course will either need to utilize grade forgiveness in order to comply with the rule or seek major reselection. Future registration in Criminology major courses will be restricted for students who are not in compliance with the “D” rule. If a student has exhausted all available grade forgiveness opportunities and remain in non-compliance with the “D” rule, the student will be required to seek major reselection.
- Major Residency Requirement: A minimum of 30 credit hours of major course work must be taken in residence at the University of South Florida. Therefore, no more than 6 credit hours of transfer work (two courses) will be accepted to meet major requirements.
- Major Internship Opportunities: The department provides all students with the opportunity to engage in an internship with a federal, state, or local criminal justice related agency within one of the surrounding counties. We have internships with more than 100 agencies to afford students the opportunity to network and gain practical experience in conjunction with their degree. Internships can be taken for up to 9 credit hours of Criminology electives.
- Foreign Language Requirement: Students need to show proficiency in a foreign language to graduate. This can be accomplished by taking two semesters of the same foreign language in college or by taking a test at SF or USF if the student speaks a second language. Please consult an advisor to see which method will be best.
