SSE 4936 Senior Seminar in Social Science Education	3

TOTAL: 12

*If you believe you have completed this course, please see an academic advisor for additional course selection.

The following is additional information for the Social Science Education major:

- The College of Education has a SEPARATE APPLICATION PROCESS from that of the University of South Florida. Please allow enough time to apply and received acceptance to USF before applying to the College.
- The Social Science Education program admits all three terms (fall, spring, summer).
- All applicants to the COEDU (except Exercise Science) must take and pass all sections of the General Knowledge Test, including Math, Reading, Language, and Essay.
- All applicants must have a cumulative GPA of 2.5
- EDF 1005 must have been passed with a C- or better. As long as all pre-requisite courses are complete or IN-PROGRESS the student may apply.
- Florida Teacher Certification Exams (Professional Education and Subject Area Exams) are required for graduation, as the degree is tied to earning a Florida Teaching Certificate. Students are encouraged to take these in fall of the last year to ensure enough time to retest if necessary. Certification will be reflected on the official transcripts.
- The Social Science Education program engages students in the study of cultural and historical tradition and informed social criticism. The program integrates methods of inquiry and pedagogy with an interdisciplinary curriculum including coursework in anthropology, economics, history, political science, psychology, and other fields of study.

Students interested in Social Science Education may email edu-sasasst@usf.edu

For general transfer advising inquiries please contact transfer-advising@usf.edu
