The following is additional information for the Exceptional Student Education major:

- The College of Education has a SEPARATE APPLICATION PROCESS from that of the University of South Florida. Please allow enough time to apply and receive acceptance to USF before applying to the College.
- The Exceptional Student Education program admits in all three terms (fall, spring, summer).
- It is highly recommended that applicants to the COEDU (except Exercise Science) satisfy all sections of the General Knowledge Test, including Math, Reading, Language, and Essay before their first term in the college.
- All applicants must have an overall GPA of 2.5.
- EDF 1005 must be completed with a C- or better or in progress of completion at the time of application.
- Students are admitted as part of a cohort and will take the courses in a specific sequential order (listed above).
- Florida Teacher Certification Exams (General Knowledge Test, Professional Education, and Subject Area Exams) are required for graduation, as the degree prepares students for Florida Teaching Certificate.
- The Exceptional Student Education Program is designed to develop highly competent professionals who, together with individuals with varied exceptionalities and their families, work to enhance the quality of life through their advocacy, teaching, research, and service. This clinically rich program introduces students to the diverse settings in which they may encounter individuals with special needs. This is a full-time, cohort-style program with clinical experiences in grades K-12.
